Mercedes Azpilicueta - We feel intoxicated

*I feel intoxicated
we feel intoxicated
our bodies feel intoxicated
our parisian bodies
tourists' bodies
homeless bodies
queer bodies
european bodies
african bodies
foreign bodies
digital bodies
latino bodies
heteronormative bodies
old bodies
soft bodies
hard bodies
young bodies
worked-out bodies
fancy bodies
dirty bodies
sweaty bodies
all these different
and individual bodies
feel intoxicated
and even more
they start to vibrate*
