

CURATORIAL TALK WITH REIN WOLFS

25/10/2012, 7 pm

The exhibition that opens on September 14th at Museion is entitled “The New Public. From a new public dimension to new users”. But how does this “new public” manifest itself in established daily life, politics and art? Where are the boundaries to what is still private in these days of internet and new media?

Together with the curator of the exhibition, Rein Wolfs, Director of the Kunsthalle Fridericianum in Kassel and guest curator 2012 at Museion, it will be possible to encounter the works in the exhibition and simultaneously confront these issues.
