

## INNOVATION FESTIVAL @ MUSEION

---

**For the Innovation Festival Bolzano – Bozen Museion will be presenting the work of Walter Niedermayr and Thomas Eller and an artistic experiment on thought by Distillers.**

Presentation:

26/09/2013

7.30 p.m.

The Innovation Festival Bolzano-Bozen and Museion come together once more, with Museion acting as one of the venues for the Bolzano event devoted to innovation from 25 to 28 September. As well as hosting round table discussions, symposia and meetings, during the Festival Museion will be presenting an exhibition specially designed for the event. Hosted on the ground floor of Museion, the works of Walter Niedermayr and Thomas Eller explore **the theme of mountains and man's relationship with the Alpine environment**, while the performance by the collective Distillers is **artistic experiment on thought**. The exhibition will be presented to the public at **7.30 pm on Thursday 26th September**.
