

ART SATURDAYS

Art Saturdays

Hands-on: our Saturday morning workshops are an interesting alternative to the television, internet and homework. Each workshop explores the properties and potential of a different material, which is then used to make a variety of "creations". The workshop can be tailored to meet individual needs and can therefore be taken for the entire morning or just a few hours.

01/01 - 24/05/2014
& 17/10 - 20/12/2014

08.30 - 12.30h

For children aged between 6 and 10
(not during school holidays)
