

WEAR YOUR CITY

11/12/2014-28/02/2015

The buildings of Piazza della Vittoria become tapestry, the houses of the Semirurali quarter an apron, the baroque elements on the front of the Mercantile Museum are transformed into purses: a whole town is transposed into fabric, clothes, accessories and home-decorations. These are the tangible results of the workshop organised by Museion and the charity „La Rotonda”. The works of Rita Attard, Carla De Vita, Ilija Gianella, Mariangela Todesco, Graziella Orsaniti, Antonella Pagliuso, Angela Riocci, Luciana Tenan will be displayed in Cubo Garutti.

Curated by Frida Carazzato and Ivo Corrà.

Special thanks to the group Creazione Laboratorio Manualità of Associazione La Rotonda.
