23/04/2015, 8.00-9.30 pm: artiparlando with Michael Fehr, Werkbund-Archiv/Museum der Dinge, Berlin.

From Renaissance Cabinets of Curiosities to collections of design objects - artiparlando 2015 offers a comprehensive overview of collecting from the modern era to the present age. The new series ventures beyond the art field into high and low brow culture, and collections of everyday, household objects.

The second date of the series is with Michael Fehr, Werkbund-Archiv/Museum der Dinge in Berlin.
