

LETIZIA RAGAGLIA CONFIRMED AS DIRECTOR OF MUSEION

Letizia Ragaglia will continue to lead Museion for the next four years. The decision was taken by the Founding Board of Museion when it convened on Friday 24th April: "It is a message of continuity that confirms the trust that we, as the new Board, place in the director, acknowledging her outstanding work over the last few years. Museion is a centre of excellence and we want it to continue on the same path, developing its mission as a venue for critical thinking on contemporary culture", commented Marion Piffer Damiani, President of the Museion Foundation.
