

THE MEDIA FAÇADE IN JULY IN COLLABORATION WITH BOLZANO DANZA

Opening 14/07/2016

9.00 pm artist talk

10.00 pm screening and performance

The July screening on the media façade is in collaboration with the **Bolzano Danza Festival**, and is based on a “duet” between the choreographer **Rachid Ouramdane** and the artist **Mehdi Meddaci**. The project, curated by **Frida Carazzato** and entitled *Les yeux tournent autour du soleil*, uses poetic images and the human body in motion to explore how we look at others, and how we relate to what is unfamiliar and different. The events feature **Marie Fonte** and **Lora Juodkaitetwo**, two of the star performers from the **Centre Chorégraphique National de Grenoble**, which is directed by the Ouramdane.

Additional screenings: 21/07 and 28/07, 10 pm - 11:30 pm.
