

LILI REYNAUD-DEWAR CLOSES EARLIER

The exhibition, **TEETH GUMS MACHINES FUTURE SOCIETY** by Lili Reynaud-Dewar will close for technical reasons on Friday 5th May, two days earlier than planned. If planning a visit during the final days of the show, we recommend the guided tour on Thursday 4th May at 7pm, in which it is possible to receive insights into the themes touched upon by the French artist.
