

IN CONTEXT

In context **Art and everyday objects**

23/05/2019, 7 pm

The cubists, futurists and Marcel Duchamp introduced everyday objects into art by taking them out of their normal contexts. This decontextualisation is one of the constants of contemporary art and also plays an important role in the work of artist Haim Steinbach.

with Andreas Hapkemeyer

Includes a brief guided tour of the Haim Steinbach exhibition, every single day
