

SILVIA HELL @MEDIA FAÇADE

Scored Air

**Screenings 23, 24, 25, 27/09, 21-22.30 h
26/09, 22-23.30 h**

curated by Frida Carazzato

Breathe, feel and see the air in Bolzano. This is what Silvia Hell's video created for the Museion media façade seeks to achieve.

The project includes the visual and musical performance of the “Wind Pressure Concert”, in collaboration with Transart Festival.

Silvia Hell's work - a “visual chronology” of pollutant substances monitored in the air of Bolzano - has been transposed into music by the pianist Enrico Pompili.
