

## OPENING MARGUERITE HUMEAU, OSCILLATIONS

---

**Marguerite Humeau, *Oscillations***

**Opening 11/10/2019, 19 h. The artist is present**

Marguerite Humeau explores our digital age by immersing herself in the great enigmas laid down over the centuries. The exhibition at Museion is inspired by the sense of fascination and mystery that surrounds prehistoric statuettes of Venus by presenting in a large, immersive installation, a group of sculptures in bronze, marble and stone.

**First solo exhibition in a museum in Italy**

**Until 26/01/2020**

**Curated by Letizia Ragaglia, Frida Carazzato**

**In collaboration with New Museum, New York, Kunstverein in Hamburg.**

**With the support of the Fondazione Nuovi Mecenati - the Franco-Italian foundation for sustaining contemporary creation**
