

ABC OF ART- IS MODERN AND CONTEMPORARY ART SKILFUL?

01.10.2020, 18h, in Italian

Reservation required

The concept of skill is a key element in defining art that is connected to its technical side. It is something that artists have been discussing since the beginning of the twentieth century and Andreas Hapkemeyer illustrates its development in contemporary art by reviewing a series of examples.

with Andreas Hapkemeyer, Museion

The special “ABC of art” meetings are free, but reservations are required. This can be done via email (visitorservices@museion.it) or by phoning 0471223413.
