

## TECHNO @ ST. ANTON

---

The collaboration between Museion and TRANSART is set to continue once again this year. From the 10th until the 24th September, at the former electric power station, Alperia St. Anton/S. Antonio in Bolzano, a series of events will take place that form an integral part of the exhibition, TECHNO.

### **Tickets (10 €):**

Tickets available at the Museion ticket office ([bookshop@museion.it](mailto:bookshop@museion.it) | 0471 223413) and at this [link](#). The ticket is valid for entry to the TECHNO exhibition and for participation in an event at Alperia St. Anton/S. Antonio. Antonio.

### **DAY RAVE I | 10.09 • SOLD OUT!**

### **DAY RAVE II | 11.09, 5 pm**

ISABEL LEWIS & MARGHERITA D'ADAMO

By participating in a DAY RAVE the audience is invited to immerse themselves in an environment open to the playful exploration of the relationship with the other. Accompanying the participants on this journey will be Isabel Lewis and Margherita D'Adamo, who will lead the audience in these interactions through guided storytelling and choreographic instructions.

### **MAGIC HOUR | 12.-24.09 (except 14.09, 18.09 and 20.09), 5 pm – 7 pm**

DAY RAVE can be visited every day. A light and sound installation by Isabel Lewis breathes new energy into the former Alperia power station, which is open to the public for the first time. Music by duo Alpi.

**Admission is free, but reservations are required.**

### **INFINITY RUG | 14.09, 6.30 pm**

LOU DRAGO & PEDRO MARUM

Pedro Marum and Lou Drago will gently guide you through a soundscape that invites to reflection, rest and contemplation.

### **BODILY CULTURE SMELL | 18.09, 9 pm**

SISSEL TOLAAS & ISABEL LEWIS

And if body culture had a smell, what would it be? An appeal to all human senses by Sissel Tolaas and Isabel Lewis.

### **LABOUR | 20.09, 9 pm**

FARAHNAZ HATAM & COLIN HACKLANDER

Berlin-based duo LABOUR activates the space through streams of electronic and acoustic sounds.
