

TECHNO. FINISSAGE

TECHNO. Finissage

Join us on Saturday 12th March, from 15:30 - 00.00 at Museion to come together, visit TECHNO one last time, and to celebrate the end of the exhibition with a selected lineup of South Tyrol's contemporary electronic DJs & Congolese-Belgian DJ Nkisi.

TECHNO, the first installment of TECHNO HUMANITIES, assembles themes emerging from confrontations between humanity, ecology, technology and economy; an international group show occupying the entire Museion building.
