MUSEION PASSAGE

Welcoming Persones Persons Biennale Gherdëina ∞ meets Museion

Exhibition 25 March 2022 – 12 June 2022

Press preview 25 March 2022 at 10.00am

Born from a **collaboration** between **Biennale Gherdëina** and **Museion**, the *Welcoming Persones Persons* exhibition anticipates the themes of the eighth edition of the Biennale, curated by Filipa Ramos and Lucia Pietroiusti, with a selection of works from the collection of the museum in Bozen.

The exhibition celebrates the views and practices that unite **Nature** and **Landscape**, highlighting **two complementary lines of research**. The first considers the forms of *legal personality and not of Nature* by investigating the way in which art contributes to the recognition of the **rights of the Earth**; while the other is dedicated to the ancient and future **memories** of the routes, **migration** systems, seasonal movements and transhumance of people, animals, plants and materials in the Alpine region.

The works selected from the **museum collection** respond to these themes through a variety of formal styles and artists from different generations and locations.

The graphic concept chosen for the **Museion** and **Cubo Garutti**, where the exhibition continues, underlines the **cooperation between these two institutions** and is the result of the combined work of **Studio Hund** and the artist **Giles Round**, both invited by the Biennale. This joint project will also continue at Ortisei with a number of works from the Museion collection displayed alongside works by artists participating in the Biennale Gherdëina ∞.

With *Welcoming Persones Persons*, the museum emphasizes **its focus on the local area** that characterizes *Museion Passage*'s entire program and gives its collection an international and transversal interpretation, stimulated by Biennale Gherdëina's curatorial approach.

Welcoming Persones Persons features works by **Vincenzo Agnetti, Oyvind Fahlström, Roni Horn, Nancy Holt & Robert Smithson, Judith Hopf, Arrigo Lora-Totino, Carl Moser, Zanele Muholi, Maurizio Nannucci, Olaf Nicolai, Décio Pignatari, Paul Thuile, Karl Unterfrauner, Sophie Utikal and Adolf Vallazza.**

Works by **Jimmie Durham** and **Judith Hopf** will be loaned by **Biennale Gherdëina**; while the **Cubo Garutti** will host a work by **Sophie Utikal**.
