

## SUMMER LAB 2023

---

**Get to know local artists and discover your own creativity: the Museion Summer Lab offers young people between the ages of 11 and 14 the opportunity to spend a week working shoulder to shoulder with experienced artists from the region on an individual art project.**

Participants not only experience how artists "think and work", but also learn how to creatively work with different materials, expressive forms and media technologies.

Two different theme weeks can be booked.
