There is a new exhibition at Museion.

This exhibition is called "Sonic Youth Pavilion."

And this exhibition is a temporary exhibition.

Temporary exhibition means:

Museion shows this exhibition only for a few months.

And Museion will present a new temporary exhibition after this one.

The explanations are indented to the right.

And these explanations are written in gray.

The exhibition is about the work of art "Sonic Youth Pavilion."

Dan Graham made this work of art in 2008.

Dan Graham was an American artist.

Dan Graham made this work of art for an exhibition at Museion.

That exhibition was about:

- The American band "Sonic Youth."
- And some artists that worked with this band.

That is why the name of the work of art by Dan Graham is:

"Sonic Youth Pavilion."

"Sonic Youth Pavilion" is made of many parts.

That is why people call it also "installation."

Museion is the owner of the "Sonic Youth Pavilion".

What can you see in this exhibition?

You can visit the "Sonic Youth Pavilion" during the exhibition.

People can enter the "Sonic Youth Pavilion" and sit down.

There they can watch short films and listen to music.

The walls of the "Sonic Youth Pavilion" are made of metal and glass.
